THE DREAM OF THE E-MOPED

The Eysing Pioneer is the result of the dream to combine the design of a legendary, Dutch, race-winning motorcycle with the technology of tomorrow. The Eysing Pioneer is a 100% electric, handmade and innovative e-moped with an iconic look. The Eysing Pioneer gives you the ultimate feeling of freedom. Whether you 'sail' comfortably through nature or smoothly maneuver through the city. The power of the Eysing you feel when accelerating is sensational, time after time.
